The child is not in state custody.

The children, [REDACTED] (age 4), [REDACTED] (age 1) and [REDACTED] (age 2 months old) reside in the home with their parents, [REDACTED] and [REDACTED].

The incident took place on 01/02/14 as a near fatality, Intake # [REDACTED] Case ID # [REDACTED] concerning [REDACTED]. The case is a physical abuse case. The other two children have already been safety placed. [REDACTED] died today, 1-4-2014, at 7:35 A.M.

The parents have been interviewed but they have not been arrested as of 01/03/14. The autopsy is pending. The child passed away at [REDACTED] Hospital. There were no other previous injuries before this incident took place. It is unknown if the parents have history with law enforcement but they do have a history with DCS.

On 01/02/14 [REDACTED] was transported to [REDACTED] Hospital from [REDACTED] Medical. The child had bruising on the left side of her head and her right eye. The child had bilateral subdural hematomas; the child was unresponsive and placed on life support. At the time of the incident the father reported that the child was blue and limp, and then he stated that the 4 year old sibling, [REDACTED] hit the child in the head with a toy earlier in the week. The father admitted to shaking the baby to wake the baby up because he saw that the baby was not breathing. Law enforcement continues questioning the father and he continues to give conflicting stories. The mother was at work at the time of the incident.

The two other children, [REDACTED] (age 4) and [REDACTED] (age 1) have been safety placed with family friends. There is a forensic interview scheduled for [REDACTED] on Monday, 1-6-14. The children are not allowed any contact with the father and have supervised contact with the mother. The children were at home at the time of the incident. As of 1/03/14 the hospital was doing brain scans on the baby and there was no activity. The baby died today, 1/04/14.

The case has already been worked by DCS. The children have been safety placed and this case will be linked to the open case. The DCS case worker is [REDACTED]. The court date for this case is scheduled for 01/08/14.

Special Needs or Disabilities: None

Any other safety concerns for the child(ren) or worker who may respond: None

up at between 10:30 A.M. and 12:00 P.M., to ██████████ banging a toy against the wall. He reported that this toy was a plastic toy guitar. Mr. ██████████ reported that ██████████ crib is in their room, ██████████ and ██████████ sleep in the other room. He stated that he got out of bed and checked on ██████████ and she appeared to be "lifeless". He stated that he picked the baby up, and observed she was not breathing. He continued to state that he shook the baby to arouse her. This was not successful, and he contacted EMS. He reported Ms. ██████████ was at work during this incident. He reported that Ms. ██████████ left the home around 8:30a.m. He reported that after calling EMS, he contacted Ms. ██████████ who left work immediately and came home. Mr. ██████████ reported that about a week ago, ██████████ was playing with ██████████ and ██████████ was crying. He informed CPSI that ██████████ tried to make ██████████ stop crying by giving her a toy. He reported that ██████████ dropped this toy on ██████████ hitting her head. Mr. ██████████ reported that it was a toy rattle and this did not cause any major bruise on ██████████ only a small mark on the side of her right eye where the toy was dropped. He reported that they asked ██████████ to be really careful when playing with her sister. He reported ██████████ is a good baby and rarely cries. He reported that this has been very stressful for them and they hope that ██████████ survives. He reported that they have been going through a lot lately, with the death of Ms. ██████████ mother right before Christmas. He also reported that Ms. ██████████ father was in the hospital due to a car wreck.

Summarize witnesses' descriptions of what they saw and what they believe indicates child abuse/neglect:

██████████ had a forensic interview on 1/8/14 and did not have disclosures of what happened prior to this incident.

Summarize any other evidence or factors that support the investigative finding(s) for the allegation(s) of abuse/neglect:

CPSI received this case with the allegations of physical abuse death. CPSI interviewed Mr. ██████████ and he reported that he was sleeping and was woken up by ██████████ banging a toy against the wall. He reported that he woke up, checked on ██████████ and discovered that she was not breathing. He reported that he called 911 and ██████████ was transported to the hospital. CPSI interviewed Ms. ██████████ mother and she reported that she was at work during the incident. She reported that Mr. ██████████ told her that ██████████ was not breathing and he that EMS was at their home. CPSI observed ██████████ at ██████████ hospital and was informed by the medical staff that ██████████ was brain dead and her situation was critical. A safety plan was developed and ██████████ siblings, ██████████ and ██████████ were safety placed with ██████████ and ██████████. The IPA states that Mr. ██████████ will have no contacts with ██████████ and ██████████, supervised contacts only with ██████████. Ms. ██████████ was also allowed supervised contacts only with ██████████. CPSI was contacted on 1/4/14 that ██████████ passed away that morning. The preliminary hearing was held on 1/8/14 and ██████████ and ██████████ were placed in DCS custody through the court. Mr. ██████████ and Ms. ██████████ were arrested and charged on 2/12/14.

FORENSIC INTERVIEW

[REDACTED] had a forensic interview at the [REDACTED] CAC on this date.

This interview was completed by [REDACTED].

CPSI transported [REDACTED] to the CAC for this interview.

Report of the Forensic interview:

[REDACTED] was interviewed at the CAC at 1/8/14. She behaved as a normal 4 year old girl and was very verbal, but she could not name colors or shapes as a child her age would typically do. [REDACTED] said she lives with her mother and father, [REDACTED] and [REDACTED]. She said [REDACTED] (who is a baby) and [REDACTED] (who is also a baby) live with her as well. [REDACTED] said [REDACTED] is in the hospital because she stopped breathing. She began breathing in and then out to demonstrate what [REDACTED] was doing. She said [REDACTED] wasn't doing anything but tried to get [REDACTED] to the ambulance. She said [REDACTED] was in the house when she stopped breathing but could not tell what was going on before [REDACTED] stopped breathing. [REDACTED] said her mother is the only person who gets mad. She said her mom gets mad and tells [REDACTED] not to put his hands on her. [REDACTED] said [REDACTED] whooped her one time on her butt with his hand. She said he whooped her on top of her clothes. She said [REDACTED] has whooped [REDACTED] because she takes her diapers off. She said [REDACTED] has also whooped [REDACTED] on the butt when she won't stop crying. [REDACTED] said she has helped changed [REDACTED] and [REDACTED] diapers. She said sometimes she holds [REDACTED] but her mom is always there when she does.

OBSERVATION:

[REDACTED] appeared comfortable during this interview. She interacted well with the interviewer.

NEXT STEP:

CASE ASSIGNMENT

CPSI received this case on 1/4/14 as a P3 with the allegation of abuse death. The victim was listed as [REDACTED], alleged perpetrator was [REDACTED] birth father. Report states that The children, [REDACTED] (age 4), [REDACTED] (age 1) and [REDACTED] (age 2 months old) reside in the home with their parents, [REDACTED] and [REDACTED].

The incident took place on 01/02/14 as a near fatality, Intake # [REDACTED] Case ID # [REDACTED] concerning [REDACTED]. The case is a physical abuse case. The other two children have already been safety placed. [REDACTED] died today, 1-4-2014, at 7:35 A.M.

The parents have been interviewed but they have not been arrested as of 01/03/14. The autopsy is pending. The child passed away at [REDACTED] Hospital. There were no other previous injuries before this incident took place. It is unknown if the parents have history with law enforcement but they do have a history with DCS.

On 01/02/14 [REDACTED] was transported to [REDACTED] Hospital from [REDACTED] Medical. The child had bruising on the left side of her head and her right eye. The child had bilateral subdural hematomas; the child was unresponsive and placed on life support. At the time of the incident the father reported that the child was blue and limp, and then he stated that the 4 year old sibling, [REDACTED] hit the child in the head with a toy earlier in the week. The father admitted to shaking the baby to wake the baby up because he saw that the baby was not breathing. Law enforcement continues questioning the father and he continues to give conflicting stories. The mother was at work at the time of the incident.

The two other children, [REDACTED] (age 4) and [REDACTED] (age 1) have been safety placed with family friends. There is a forensic interview scheduled for [REDACTED] on Monday, 1-6-14. The children are not allowed any contact with the father and have supervised contact with the mother. The children were at home at the time of the incident. As of 1/03/14 the hospital was doing brain scans on the baby and there was no activity. The baby died today, 1/04/14.

The case has already been worked by DCS. The children have been safety placed and this case will be linked to the open case. The DCS case worker is [REDACTED]. The court date for this case is scheduled for 01/08/14.
