Policy Statement:	
The Subsidized Permanent Guardianship (SPG) program implements provisions of the Fostering Connections to Success and Increasing Adoptions Act 2008 (P.L. 110-351). The act allows the State to enter into guardianship agreements to provide assistance payments to relatives and kin who have assumed the legal guardianship of children for whom they have cared as a licensed or approved foster parent and for whom they have committed to care for on a permanent basis. This policy also applies to children in out-of-state placement pursuant to the Interstate Compact on the Placement of Children.	
Purpose:	
To inform staff and guardians of the basic eligibility criteria, the process of applying for SPG and requirements for maintaining the SPG payments.	
Procedures:

SPG assistance payments made on behalf of a child will not exceed the foster care maintenance payment that would have been paid on behalf of the

child if the child had remained in a DCS foster home.

3. The SPG Rates are categorized in three levels:

a) **The Regular Subsidized Permanent Guardianship Rate:**

- ◆ The regular rate is available to any child who meets the criteria outlined in Section A of this policy.
- ◆ If during the negotiation process, it is determined that the child's needs cannot be met at a regular guardianship assistance rate, the DCS Permanency Specialist or Contract Provider representative, if applicable, will work with the prospective guardian in gathering documentation from the child's licensed provider(s), board-certified ABA provider, or TEIS provider who is responsible for their treatment and care to support a higher (Special Circumstances or Extraordinary) rate, based on the needs of the child.

b) **The Special Circumstance Subsidized Permanent Guardianship Rates** are designed for children who meet all of the following conditions:

- ◆ Have unique needs due to a diagnosed medical or mental health condition that substantially limits one or more of the following major life activities: walking, speaking, breathing, working, learning, performance of manual tasks, hearing, self-care, social skills, vision, and interpersonal relationships; and
- ◆ Who require a level of supervision exceeding that of his/her peers; and
- ◆ Who require extra care due to a physical, emotional, or mental disability.

c) **Extraordinary Subsidized Permanent Guardianship rates** are reserved for children whose needs are so unique and extensive that they cannot be met at the regular or special circumstance rate. To be approved for an Extraordinary SPG rate, the child must meet each of the three Special Circumstances rate criteria, and the requirements established in form **CS-0674, Special or Extraordinary Rate Request** and in the Electronic Case Record Special Circumstances or Extraordinary Rate Request (Spec/Extra Rate Request). Extraordinary rates are determined on a case-by-case basis, but do not exceed sixty (\$60.00) per day.

d) The current Subsidized Permanent Guardianship daily rates can be found on the DCS website. <https://www.tn.gov/dcs/program-areas/foster-care-and-adoption/current.html>.

4. Each rate is negotiated based on the age of the child and a review of the child's documented level of need, and is not linked to the means of the foster family. The initial SPG rate may not exceed the amount of a child's final or most recent DCS foster home board rate payment.

- ◆ When negotiating Guardianship rates for those children who are in Contract Provider homes, the DCS rate structure should be used.

5. Any approved SPG rate is paid according to the terms outlined in form **CS-0721, Subsidized Permanent Guardianship Agreement**. Payment may be

	<p>modified at the periodic renewal or review due to changes in policy or significant changes in the child’s circumstances.</p>
<p>J. Requesting a Special or Extraordinary Rate for Subsidized Permanent Guardianship</p>	<ol style="list-style-type: none"> 1. If during the negotiation process, it is determined that the child’s needs cannot be met at a regular guardianship assistance rate, the DCS Permanency Specialist or Contract Provider representative, if applicable, will work with the prospective guardian in gathering documentation to support a higher (Special Circumstances or Extraordinary) rate, based on the needs of the child. 2. Acceptable forms of documentation can include any of the following, signed by the licensed provider, board certified ABA provider, or TEIS provider responsible for the child's care and treatment. <ul style="list-style-type: none"> ◆ CS-0934, Special Needs Justification; (preferred) ◆ Psychological/Psychiatric Evaluations; ◆ Psycho-educational Evaluation; ◆ Individual Education Plan (IEP) or 504 Plan; ◆ TEIS Individualized Family Service Plan; and/or ◆ Medical records. 3. The DCS Permanency Specialist submits the Special Circumstances or Extraordinary Rate Request (Spec/Extra Rate Request) and the Subsidy Record to the Central Office Subsidy Unit for review and approval in Electronic Case Record. The supporting documentation must be uploaded to Electronic Case Record and linked to the Subsidy Record. 4. If the child is residing in an agency foster home, the contract provider representative submits DCS form CS-0674, Special or Extraordinary Rate Request and supporting documentation to the DCS Permanency Specialist. The DCS Permanency Specialist then submits the Special Circumstances or Extraordinary Rate Request (Spec/Extra Rate Request) and the Subsidy Record to the Central Office Subsidy Unit for review and approval in the Electronic Case Record. 5. The Central Office Subsidy Unit reviews the request and documentation within five (5) business days from the receipt of the request to determine if the documentation justifies the requested rate. If the documentation supports the requested rate, the Central Office Subsidy Unit approves the rate request and Subsidy Record in Electronic Case Record. 6. An approval of a Special or Extraordinary Foster Home Board Rate does not guarantee approval of a Special or Extraordinary SPG rate. Only after a review of the current documentation presented with the Special Circumstances or Extraordinary Rate Request will it be possible to determine the appropriate SPG rate. 7. If the documentation does not justify the rate, the Central Office Subsidy Unit consults with the DCS Permanency Specialist to determine if additional documentation should be obtained to support the initial request; or if further negotiations are needed with the prospective guardian(s).

	<p>8. A permanent guardian may request re-negotiation of the SPG rate at any point after the initial approval if the child’s needs have changed. When the guardian requests an increase in the SPG rate, he/she is informed that current documentation from a licensed provider, board-certified ABA provider, or TEIS provider is required.</p> <p>9. Subsidized Permanent Guardianship may be revised at any point after approval when there is a change in circumstances. A revision to the subsidized permanent guardianship agreement can be initiated by DCS or at the request of the guardian. All revisions to the subsidized permanent guardianship agreement require supporting documentation.</p>
<p>K. Non-Recurring Subsidized Permanent Guardianship Assistance</p>	<p>Non-recurring expenses are one-time expenses that are directly related to the transfer of guardianship of a child. Funding for non-recurring expenses related to obtaining legal guardianship is available to any child who meets the eligibility criteria outlined in Section A of this policy and cannot exceed \$2,000.00 per child for each guardianship arrangement.</p>
<p>L. Eligibility for Voluntary Post-Custody Services as Provided by DCS</p>	<p>For information on eligibility for Voluntary Post Custody Services, refer to DCS Policy <u>16.53, Eligibility for Independent Living Services</u>.</p>
<p>M. Subsidized Permanent Guardianship Revisions or Renewal/ Renegotiations</p>	<ol style="list-style-type: none"> 1. Guardians who receive SPG subsidies have an obligation to inform DCS (Central Office Subsidy Unit) of circumstances, which might impact changes in their subsidy payments. 2. Renewal/renegotiation of the SPG agreement is required periodically for State funded agreements to confirm that the guardian continues to provide any support to the child for SPG payments to continue. The guardian will return a completed form CS-0721, Subsidized Permanent Guardianship Agreement, within the periods outlined on form CS-0721, Subsidized Permanent Guardianship Agreement. 3. Guardians may request revisions at any time that there is a <u>significant</u> change in the child’s circumstances to include providing DCS (Central Office Subsidy Unit) with the required documentation to support their request. 4. For all children who are approved for a Special or Extraordinary SPG rate, the guardian will request the licensed provider, board-certified ABA provider, or TEIS provider who is responsible for the child’s treatment and care to complete form CS-0934, Special Needs Justification, as well as any documentation received from the provider. This documentation will verify the following: <ul style="list-style-type: none"> ◆ Current diagnosis, prognosis, and summary of treatment services for the previous year; and ◆ An estimated summary of services, which is necessary to meet the continued special or exceptionally uncommon needs of the child. 5. At the time of renewal (for State Funded agreements), if the supporting documentation shows that the child’s condition has improved, the state will work with the guardian to renegotiate the subsidy agreement to the age

	<p>appropriate SPG rate.</p> <p>6. The SPG payments granted at the time of renewal will reflect the child's current, documented level of need based on the supporting documentation that is submitted with periodic renewal or review.</p>
<p>N. Subsidized Permanent Guardianship for Review of Eligibility for Youth 18, 19, 20</p>	<p>All SPG agreements must be reviewed and evaluated to determine if the youth will continue to remain eligible for SPG assistance past his/her 18th birthday. This evaluation occurs prior to the youth turning age eighteen (18) and subsequently each year thereafter until the youth reaches the age of nineteen (19), or in some instances, age twenty-one (21). Verification of full-time school attendance, mental or physical disability, or medical incapacities is required annually by the educational institution or a medical professional, as applicable, based on the SPG continued eligibility qualifications listed below.</p> <p>1. All Title IV-E children who were the subject of an initial SPG Agreement entered into on or after December 1, 2006, can remain eligible until the youth is age twenty-one (21), if the youth has a documented mental or physical disability, which warrants continuation; the child/youth's age, when the agreement is made effective, is irrelevant in this circumstance and is not considered when determining continued eligibility for SPG. 4. State funded children, who were the subject of an initial SPG Agreement between December 1, 2006, and September 30, 2010, will remain eligible beyond the age of eighteen (18) up until the child graduates from high school or turns nineteen (19) years old, whichever occurs first. 5. Verification of school attendance, employment, or medical incapacities is required annually. School attendance or medical incapacity will be verified and documented annually by the educational institution or a medical professional.
<p>O. Transfer of SPG Subsidy Payments to a Successor Guardian</p>	<ol style="list-style-type: none"> 1. The SPG subsidy payment can transfer to the Successor Guardian identified in the CS-0721, Subsidized Permanent Guardianship Agreement, and can occur if the guardian becomes incapacitated or dies, without a new determination of eligibility. 2. The Successor Guardian will need to provide legal evidence to the Department that the child is now in the caretakers' guardianship. 3. After making the Department aware of their legal responsibility of the child, the Department will complete background checks and a home study on the Successor Guardian caregivers identified in the Guardianship Order, in accordance with DCS Policy <u>16.20 Expedited Custodial Placements</u>. 4. If the results of the background checks and home study are determined to be satisfactory and do not present safety concerns for the child, the Successor Guardian is entitled to all payments for eligible children in their care, after completing a CS-0721, Subsidized Permanent Guardianship Agreement, The new Successor Guardian will be responsible for any future renewals,

<p>Q. Appeals</p>	<p>Permanent Guardian(s) may appeal the Department's decision to deny, terminate, or change their child's SPG in accordance with rules and procedures of the State's fair hearing and appeal process. Permanent Guardian(s) must appeal an adverse decision within ten (10) business days of written notice of the adverse action. SPG may continue pending the determination of an appeal, but payments</p>

Glossary:	
Guardian:	The legal guardian of a child with whom the child is related to by blood, marriage, or adoption or with whom the child had a significant relationship that pre-existed placement in DCS custody such as a godparent, friend, neighbor, church member, or teacher.
Permanency Specialist:	This is a DCS term used to identify the position previously known as DCS Adoption Specialists. This person is principally responsible for preparing children and families for permanence through subsidy contracts negotiating and preparing Subsidized Permanent Guardianship, and maintaining technical knowledge of all permanency options.
Strong Attachment:	A strong attachment is defined as a relationship that exists-between the potential guardian and the child or family, preferably, but is not required to have been established, prior to the current DCS foster care episode.
Successor Guardian	A person identified in the Initial Guardianship Agreement or Amendment/Renewal/Revision to the Guardianship Agreement that has now assumed guardianship of a child(ren), due to the Initial Guardian's incapacity or death. The Successor Guardian's role is not fulfilled until background checks and a home study of the new caretakers have been completed and approved. At that point, the Successor is entitled to any Subsidized Permanent Guardianship subsidy payment, without a new determination of the child's eligibility.
TennCare (or successor plan) Rate:	The rates established by TennCare (Medicaid) or any subsequent plan for a particular medically necessary service or treatment.
